ALUMNI NEWS / BRYAN COLLEGE / DAYTON, TENNESSEE

ALUMNI MEET THE MK CHALLENGE

Response to the front-page story of the last **Bryanette** was so positive and immediate that the followup story deserves front-page attention in this issue. Some alumni sent in letters of approval and some sent their cash gifts immediately.

But the greatest response came through Alumni President Larry Puckett's appeal in the college's annual Gifts-for-the-King Christmas mailing. During the month of December alumni sent in \$4,000 for the MK Scholarship fund.

Donations to the MK project have reached \$9,000 for the first six months of the fiscal year. During the next six months the amount needed should run "over the top" to meet our challenge goal of \$10,000 by June 30, 1985.

With the challenge grant of \$5,000, this will mean that alumni support for MKs in the '85-'86 school year will total at least \$15,000, or triple the amount of any past year.

Alumni gifts to the MK Scholarship fund have a twofold ministry. These dollars give direct aid to the MKs and their missionary parents and, at the same time, provide a direct financial boost for the Lord's work at Bryan College. With the larger amount of financial aid now available for children of missionary parents, Bryan will be even more attractive for them.

The financial aid office at Bryan has already put in place the new financial aid program for 1985 applicants. According to Mrs. Joyce Hollin, Bryan's financial aid officer, "Children of career missionaries who serve outside the United States will be awarded a \$1,000 grant from Bryan College if they have documented need." It is notable that this applies even if the parents are on furlough or retired.

Mrs. Hollin further states that "Other MKs may be considered if funds are available, but these awards will be made on a discretionary basis by criteria established by the financial aid office. New freshman students must be admitted on clear academic status to qualify. Continuing and transfer students must have a minimum 2.2 current and cumulative grade point average. The MK program for continuing students will be on the same basis as the new program."

The MK Scholarship project is just one of many ways alumni have supported Bryan students over the years, but it has drawn more attention because of the challenge grant.

On page four is the story of the fifty-year history of alumni support for virtually all areas of Bryan's needs.

\$1,000 MK Grants for 1985

Dallas, Tx.
December 5, 1984

Dear Friends of the Bryan Alumni Association,

Our family was very encouraged to read in the **Bryanette** about the challenge grant and the continued generous giving of alumni to the MK Scholarship fund. To be honest, it has been with growing apprehension and even alarm that we have watched the higher education cost continue to grow. Our son still has a year and a half to complete, and we have wondered how it would be financially possible. We know God is able, and we just want to take this opportunity to express a word of sincerest appreciation to all the alumni who have in the past and are now giving of their own means to help MKs get through school. I myself was a teacher of MKs on the field and feel deeply the challenge of helping MKs reach their full potential for the Lord. Thank You, and may God richly bless you for your generosity.

The January 18th meeting of the Alumni Executive Committee was held in Hayden Lounge with Fred Stansberry, Administrative Coordinator of the National Phonathon, as special guest. Due to wintry weather and the "flu bug" not all members were present. Bryanette Alumni News Grows

We present a new expanded format for **Bryanette**! After much research and cost-conscious deliberation, the Executive Committee of your Alumni Association has approved this eight-page format on newsprint.

The immediate reason for the change was the lack of space in the former four-page spread. The increased volume of news made it necessary to pack every page with copy and tuck in some small pictures. No wonder faithful alumni readers suffering from acute eyestrain have been greeting each other with squinty looks and searching, studied glances!

Our cost estimates indicate that we can print this new format on the less-expensive newsprint for approximately the same cost as our former four-page edition.

We apologize if some of the pictures may not be as sharp, but you will notice they are larger!

Alumni Boost Library Phonathon

Volunteer alumni from the Dayton area called alumni all across the United States on two Saturday morning sessions of the Phonathon. In thirteen calling sessions held between February 18 and 25, the Phonathon committee planned to raise \$40,000 toward an expanded budget which includes (1) purchase of a computer, (2) membership in the Southern Library Network, (3) additional staff, (4) purchase of books, periodicals and microforms. The

Phonathon exceeded its conservative goal of \$40,000 in pledges after only eight of thirteen calling sessions. Bryan's library budget for this year is \$150,000, leaving plenty of room for continued gifts. The two alumni calling sessions produced more than \$11,000 in alumni pledges, plus additional alumni pledges made to student callers. A more complete report will be provided at the completion of the Phonathon sessions.

DALLAS ALUMNI FELLOWSHIP DINNER DRAWS CROWD

Thanks to the super organizational efforts of Laurie Anderson '80, the Dallas Alumni Fellowship Dinner attracted 89 guests who enjoyed fellowship with each other and with Dr. and Mrs. Robert Spode as special guests. The event was held at White Rock Lake Park in the Winfrey Point recreation house. Guests enjoyed a catered dinner with a lovely view of the city of Dallas across the lake.

Alumni dinner rallies will be held April 18 in northern Virginia and April 19 near Baltimore, Maryland.

Bryan's Alumni Missionaries And Where They Serve

In the recent tabulation of Bryan alumni who are active missionaries, 214 individuals have been identified as serving under 69 mission boards that represent all the continents except Australia. In addition, there are at least 70 others who have served for some period on the field, including 12 who have died while in service and two others who died after retiring. Since most of these are graduates, it is notable that 9% of all Bryan graduates have served in some missionary capacity and 7% are still active. The mission board chosen most frequently by Bryan alumni is Wycliffe Bible Translators, which has 38 Bryan alumni currently active. In second place is Baptist Mid-Missions with 19, followed by TEAM with 15 and SIM International with 11.

In continental representation North America leads with 83 including both home missionaries and foreign mission representatives now on the home office staff. South America is second with 52, of whom about half are in Brazil; Africa and Asia each claim 29, and Europe, 21.

At least 15 of the more seasoned missionaries have been selected to be administrators or area representatives for their respective missions. Among these are Dr. Ian Hay '50, general director of SIM International; Dan Harrison x'63, vice president for development with Wycliffe Bible Translators; John Miesel '54, associate director of UFM; Edgerton Reid '37, director of Ohio Messianic Testimony.

Editor's Note: Any corrections or additions to the missionary list will be welcomed.

MK student Don Hilgeman, whose parents are missionaries in Bolivia, points out Sara Murdock '83, one of Bryan's youngest alumni missionaries, who is also serving in Bolivia.

Alumni Association Marks 50th Year

Four years ago the **Bryan Life** magazine emphasized the 50th anniversary of the opening of Bryan College. Last summer **Bryanette** and **Bryan Life** both carried news of the first "Golden Year" class--the graduates of 1934. (Remember the four graduates posed with a 1934 Ford on the front cover of **Bryan Life**?) These same people were among the organizers of the Bryan College Alumni Association.

On June 12, 1934, the day they received their diplomas and degrees, the eight members of the class of '34 met to form the "William Jennings Bryan Memorial University Alumni Association." A year later the new alumni completed their first project--a banquet honoring the 1935 graduates.

Fifty years later, as we witness work crews making a project out of cutting back the overgrown ivy on top of the administration building, it is hard to picture the Bryan Hill of 1934 with only the Octagon, the Pavilion, and a bleak foundation structure, sometimes described as a "very large hole in the ground," where the main building now stands.

Since that time the campus has grown to eleven permanent buildings; the small, awkward saplings that covered Bryan Hill are now gigantic, graceful oaks; and the Alumni Association has grown from the original eight graduates to five thousand eight hundred former student and graduates.

As early as the 1940's groups of Bryan alumni around the country met on frequent occasions--some even monthly. These companies of alumni deliberated prayerfully how they strengthen their support of the college.

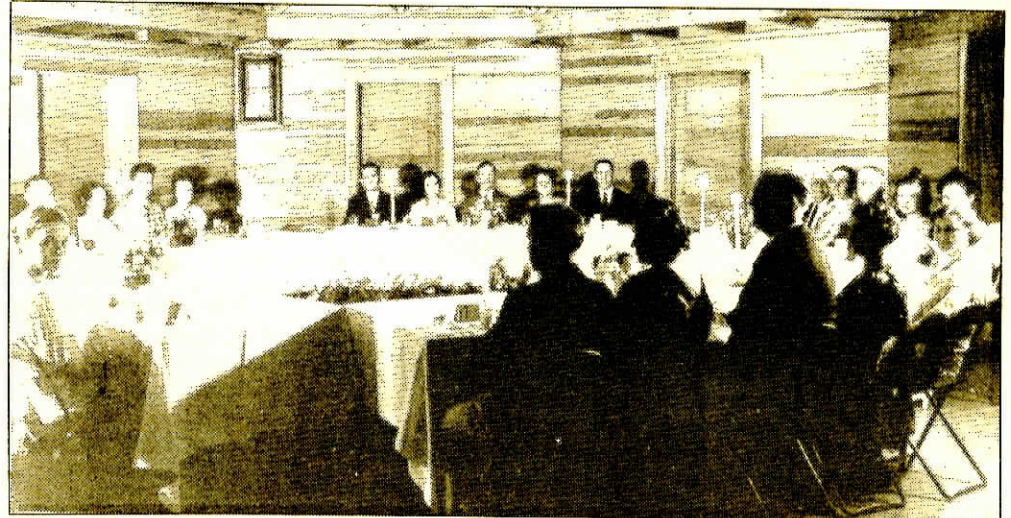

The minutes of the early meetings of the Alumni Executive Committee reveal that the Constitution and the Annual Alumni Homecoming were proposed by these local chapters of alumni, some of whom met in areas at great distances from the campus.

One of the early chapters was the Northeastern chapter which met in the Philadelphia-South Jersey vicinity. They proposed the first constitution in

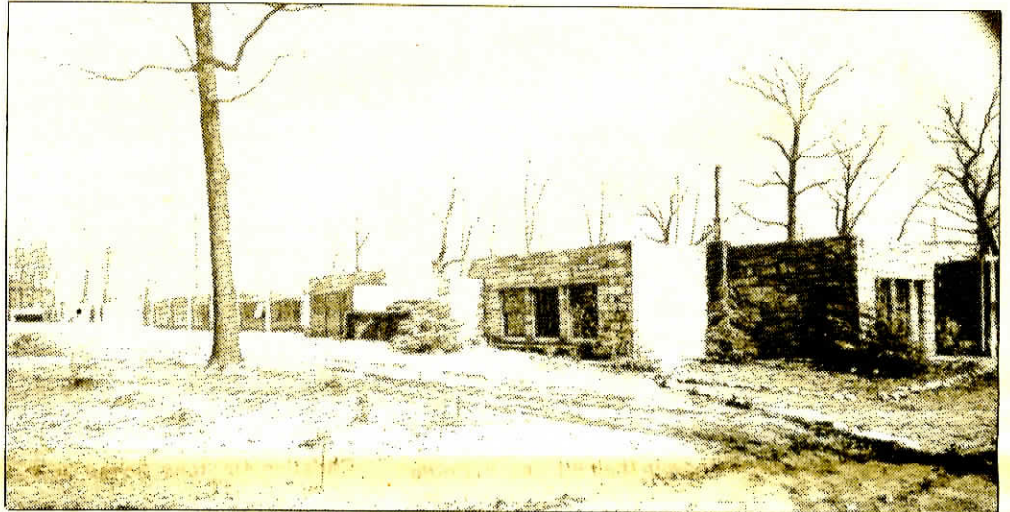

1949, which was adopted by the Executive Committee in 1950.

The Dallas Bryan alumni chapter submitted the suggestion that Alumni Homecoming be an annual campus event. The suggestion was implemented for the first time in 1953 when there were just 392 graduates of Bryan.

Now that we have reached the fifty-year milestone, it seems appropriate that alumni look at what they, by God's grace, have done for their Alma Mater over those years. The chart on this page, which was compiled from college financial records and the minutes of the Alumni Executive Committee meetings, provides a graphic glance at the first fifty years of the Bryan College Alumni Association.

50 Year Total Alumni Financial Support

And the future is even brighter!

Alumni gifts to Bryan received the first seven months of the '84-'85 fiscal year total \$74,362. This brings the fifty-year total to over \$1,000,000, more than half of which has been given by alumni in the last five years.

30's and 40's

Ed '39 and Joyce (Hirschy) '40 deRosset celebrated in December their 40th anniversary of arrival in Peru. Also in that month they shared in the graduation of seven seminary students in the regular program plus three others who finished a fourth year for a degree in theology, to make well over a hundred graduates from this seminary. The deRossets are helping with a new work located about a mile from their house with as many as 50 children for two Saturday afternoon classes and 15 to 20 attending a Sunday evening service. They are grateful for liberty to proclaim the Gospel in Trujillo.

Rhody '39 and Connie (Penick) '40 Ford are both active senior citizens in Lancaster, Kentucky. Ministerial duties, presbytery, and Rotary keep Rhody active; French I, Latin I and II, and English III are Connie's teaching assignments at Garrard County High School. Both Connie and Rhody and their son Byron sing in the church choir at the Presbyterian Church, where Rhody continues as pastor. They keep in close touch with their four children and eight grandchildren. Last May they attend the 95th birthday celebration in Medina, Ohio, of Connie's mother, Mrs. Penick.

Glenn '40 and Elinor Klamm returned last September to Maine where Glenn accepted the pastorate of a church in West Enfield, about 25 minutes north of Bangor. They had left Maine earlier to make their home in Lynchburg, Virginia, near **Harvey Klamm x'70** and family.

Dr. Lester x'46 and Genevieve x'46 Pifer continue their ministry through Grace Brethren Home Missions from Winona Lake, Indiana. Lester, now in his 36th year with this work, is presently executive secretary of the Grace Brethren Home Mission Council. He has helped to establish over 200 churches. He was elected moderator of the Fellowship of Grace Brethren Churches for the '84-'85 conference year.

Dr. Jesse Humbert '43 and his wife, Laura (Estep) x'43 enjoy the fellowship at the Winona Lake alumni dinner along with Lester Pifer x'46.

50's

Don x'54 and Jean Roberts are now in their 8th year in Cordell, Oklahoma, where Don is pastor of the Bible M.B. Church. Their church building has recently had an addition and some redecorations.

Ruth Ann (Adams) Cone x'51 has been teaching part time in the English department at Grace College for three years and lives in Winona Lake, Indiana.

Tom '54 and Ruth (Sutton) '51 Taylor spent a month last summer driving to California to visit relatives along the way and especially their daughter Lois and her husband and their three children in Los Angeles and their son, Doug and his family in San Diego. In Denver they saw Ruth's brother **Tom Sutton x'57** and his wife, Marge, and their family. On the return trip they also saw **Bob '56 and Roselyn (Franklin) '51 Hearing** in Kokomo, Indiana. The Taylor's daughter **Jenny x'79** with her husband Tom Perschke and their year-old son, Jarod Douglas, live in western Pennsylvania. Both Tom and Ruth continue serving at Biblical Seminary--Tom as teacher and Ruth as computer operator.

Cliff '52 and Ruth Hanham continue their ministry at the Spanish church in Miami, Florida. They rejoice at seeing "our children" among Hispanics walking in truth. One couple has gone to war-torn El Salvador, where the husband is director of a Bible school. Cliff is teaching Latin, Spanish, and French plus Old Testament Survey and the book of Romans in the Miami Christian School. They are pleased that their son, Titus, who is a senior at Bryan, is traveling this spring with the Bryan Messengers.

Wallace '52 and Elsie Sidback found 1984 to be a "big year." Elsie won a trip for two, so they flew to Arizona for part of February and March and also included a visit through the Grand Canyon and on to California to visit friends. Fishing and hunting were non-productive last year. They are grateful to the Lord for His provision of "everything we need."

Bud '54 and Lolly (Gearhart) '54 Fritz saw the completion last year of the reprinting of the basic Bible Doctrine books for Zimbabwe. This set of four books with pictures and a few words is to be used by teachers. Lolly has taken most of the year to recover from surgery but is walking now with pain-free "get up and go." In June their son Mark and his wife, Karen, presented them with their first grandchild, Jamie Louise.

Darwin '54 and June (Hively) '54 Neddo had a good year with Young Teens Club in Lamorlaye, France, including their twin sons, Marc and Paul. At the European Bible Institute 16 graduates left to find their places of service. This year there are 85 students from 22 different countries, all involved in local ministries with some learning to do puppet ministry. June is Dean of Women. While in the U.S., Darwin discovered that he has cancer of the bladder and is taking treatments since they returned to France.

Dale '54 and Martha (Sheffield) '55 Payne recently moved across town in Campinas, Brazil, with the aid of a crew from Maranatha Baptist Church. Quite miraculously they were able to secure a telephone even before they moved in instead of "within two years" as is customary. The Paynes recently started services in a small building on Sunday evening, and home Bible study groups during the week. They are in the process of erecting a new building and have the foundation underway.

George '55 and Norma Haberer report the organization of two churches in New Guinea--first, Goroka Baptist Church and then the Kerowagi Baptist. George is pastor of the newer church until a pastor is located. In addition to the main churches, smaller native-style huts with thatched roofs serve for mid-week prayer meetings and times of fellowship among people in areas where tribal fighting formerly prevailed.

Marleen Beck '56 was scheduled to return to her teaching responsibilities at Ocana Bible Institute in Colombia under TEAM in time for the opening of the new school year on February 4. She enjoyed a six-month furlough visiting with family and friends from her base in Wheaton, Illinois.

Pearl Rathbun '56 returned in January under TEAM to her radio ministry at HLKX in Seoul, Korea. She resumed the position of English Program Coordinator, which includes producing and editing English programs, writing announcements and station breaks, designing brochures and program schedules and surveying American military and business communities to uncover the potential English-speaking audience.

Jim '56 and Adrienne (Kerr) '56 Reese became grandparents in the year of their 50th birthdays, when their daughter, Beth '80 and Wes Woof became parents of Laura Elizabeth last November. Jim is senior pastor of Benton Street Baptist Church in Kitchener, Ontario, and has three assistants on his staff. Twenty years ago Jim spearheaded the formation of Christian Horizons, a ministry to retarded persons, inspired by the birth of their own son, Steven. There are now 18 group homes for 130 residents, a camping program for 300 persons (18th summer in 1984); a headquarters building in Kitchener, and local chapters in Canada and a growing work in Michigan.

Bob and Marilyn (Steinberger) '56 Salazar have accepted a call to help pioneer the Grace Brethren missionary work in Spain. They have spent 25 years in the pastorate--ten years in Albuquerque and sixteen years in Taos, New Mexico. Their experience in bi-lingual ministry, building program, radio broadcasts, and directing an elementary and high school ministry has helped equip them for their new work. The Salazars have three children--Colleen, a nurse; Alan, a Biola student; and Jeffrey, a high school student who will accompany his parents.

Warren '57 and Helen Allem are now in their fourth year at Christian Heritage School in Cedar Falls, Iowa. In spite of economic depression in the area, their school has reported a gain in enrollment. Last summer Warren was honored at an alumni fellowship at the Pilgrim Academy in Egg Harbor City, New Jersey. At a chapel service in which he was the speaker, his son-in-law **Robert Peterson '78**, the present headmaster, presented him with a plaque naming him as Founder of Pilgrim Academy and Headmaster Emeritus. Also a room in the new lower school was dedicated to the honor of Warren and Helen Allem and the library was named after Warren A. Allem.

Dick '55 and Donna (Black) x'57 Cornelius celebrated their 25th wedding anniversary last summer by sharing with relatives and friends in Denver, Chicago, and Oklahoma. Dick edited the 10th volume of **Dandilines** and had his book--**Christopher Marlowe's Use of the Bible**--accepted by Peter Lang, a Swiss publisher. Donna chalked up her 23rd year playing organ at Grace Bible Church (formerly Cumberland Presbyterian Church).

David '57 and Kay (Temple) '55 Henry recently had an extended overseas trip to see people in the rest of the world outside their home territory in Alaska, where they have served over 25 years among the Koyukon Indians under Wycliffe Bible Translators. On their tour, which was made possible through an inheritance, they visited Israel for ten days, spent time in the Philippines with missionaries, translators and national Christians, and stayed with translators in Sabah, Malaysia. At the end of January they prepared to leave Alaska for more traveling, which reflects their new assignment with Wycliffe to help some of the other translators working in 40 different languages across the U.S. and Canada. Their first assignment was to assist a couple in translating for the Crow people of Montana. Their home base will continue to be Fairbanks, Alaska, where some of their children still live.

Ted and **Shirley (Smiley) '57 Klingsmith** celebrated their 25th wedding anniversary on August 27. From mid-August until after Christmas they took a furlough away from their ministry at the Christian Servicemen's Center in Denver, Colorado. They enjoyed the privileges of a home in southern California for this rest time.

Lester '58 and Mary (Graydon) '58 Dow have moved to Plano, Texas, to take advantage of a sabbatical year from the ministry for Les to study at Dallas Seminary. Mary will be editing the "Happenings" in the spring semester for the women of the seminary family. Their oldest son, Mark, is married, has three children, and lives in Maine. The next three daughters are in Christian college or Bible institute, and the youngest, Daniel, is in Christian high school.

Maureen (Hay) '58 and Ed Read rejoiced last October when their nine-year-old adopted daughter Anne from Korea became a citizen of the United States along with 58 others. In July the family, including also James, 16; Susan Joy (adopted Vietnamese daughter) 15; and Michael 13, went to New England for a visit with friends and a tour of historic sights.

Ralph Hayes '59 is assistant to the president of Continental Industrial Co. of Elkhart, Indiana, and in this position travels to various parts of the country, taking his wife, Mary with him. He has completed the Ed.S. from Butler University and also the Ed.D. from Ball State University in Indiana.

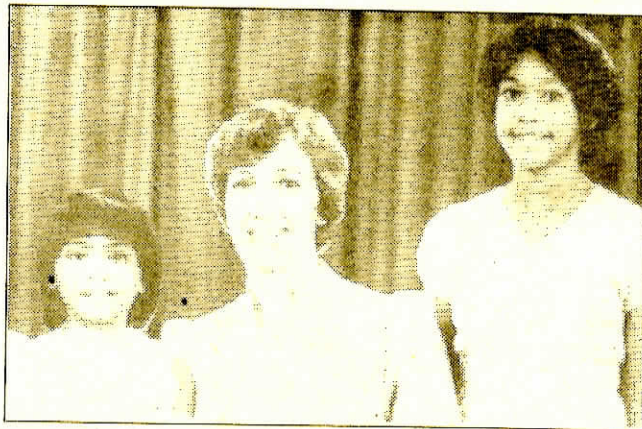

Jesse x'56 and Gladys (Mighells) x'57 Deloe live in Winona Lake, Indiana, where Jesse is assistant to the president of Grace College. Gladys is completing her college work this year (with 25 years between her junior and senior year) and expects to receive the B.S. degree in behavioral science at Grace College in May 1985.

60's

Lee '60 and Irene Temples have returned to Venezuela after their furlough. Lee recently shared in a Piaroa conference in one of their villages for a week. The meetings were well attended, with several making things right with the Lord and several going out to other villages to help them. The Temples work with New Tribes Mission.

Dr. John x'65 Herndon has a new position with Carrollton-Farmers Branch I.S.D. as coordinator of Administrative Computing Services and is also teaching a course at North Texas State University in mid-management. His wife, **Pat (Hathaway) '64** is teaching third grade at Carrollton.

Janie Voss '65 continues teaching at Faith Academy in Manila, Philippines. During the summer she tutored two Korean girls, children of missionaries, and was also expecting to help a Jamaican/Brazilian fourth grade boy. In July Janie who had one daughter, Kim, a 12-year-old, added by adoption a second daughter, Andrea, a 7-year-old. Then the family was increased temporarily when she invited a 14-year-old, Alexandra Graham, to live with them so she as a government worker's daughter could attend Faith Academy, which is mainly for missionary children.

Alumni from the 60's reminisce at the Dallas Alumni Fellowship Dinner on January 26. From left, Shelby (Skinner) '61 Harrison (Dan x'63 was in Japan), Ron '64 and Diane (Peck) x'64 Morren, John x'65 and Pat (Hathaway) '64 Herndon.

60's Cont.

D.G. Haase '67 with Ellie and their children--Rick, William, and Becky, returned to Rift Valley Academy in Kijabe, Kenya, for the third term of ministry. Their nine-month furlough was filled with traveling to visit family and friends and included visits to Canada and Dominican Republic.

He also served one year in a private Christian counseling center. Last August he accepted faculty position at Northeastern Bible College in Essex Fells, New Jersey, and is teaching counseling psychology, directing the counseling department, and developing a pastoral counseling center. He and his wife, Barbara, are now living in Montville, New Jersey.

Kenneth '68 and **Alice (Colvin)** '69 **Hurley** are teaching in Winter Haven, Florida--Ken at the college level and Alice in the First Baptist Christian schools of Winter Haven. Andrew, 9, and Sarah, 7, also attend the school with their mother. Rachel is a very active two-year-old. The Hurleys moved last summer but live in the same town and invite their friends to stop in for a visit when they are in central Florida.

Bob '68 and **Diane Mathisen** led a group of nineteen young people on a short-term missionary venture to Haiti last summer, where they built an office at an orphanage in the city of Milot, under the auspices of Missions Outreach, Inc., of Bethany, Missouri. Their son Jeff, 14, was a member of the team and their other children Jay, 11, and Jill, 4 accompanied them. Bob is a history professor at Grace College.

Ron '68 and **Inga (Stenberg)** '68 **Neely** had a good summer camping trip with their children and were able to visit a number of European cities where they saw no sign of a true Bible witness. The Evangelical Baptist Missions ministry is progressing well in their city of Uppsala. They now have the former Swedish Covenant Church building, and a private home in another city is still being used for weekly services.

Dick and Nita (Karges) '68 **Papworth** continue their radio ministry for Iran from their home area in Whittier, California. Dick works at the Radio Voice of Christ recording studio to prepare taped radio programming in Persian which is broadcast from FEBA, Seychelles, and Trans World Radio, Cyprus. He is assisted by a relatively new Iranian believer. In addition to caring for the family, Nita is witnessing to neighbors. The

Dick, Nita Papworth and family

Papworths' two daughters, Melanie, 7, and Amy, 5, are both school girls, now, and are pictured above with their parents.

Charles '69 and **Linda Belcher** recently returned from Mexico to establish a Counseling Center in Memphis, Tennessee. They are on leave of absence from CAM International but still have membership with that mission. Charlie is considering an interim pastorate while the Counseling Center is getting established. Their son, Chuck, is pursuing his master's degree at Memphis State and Lori is a junior at Mid-South Bible College. The congregation that they left in Mexico City continues to thrive under the leadership of a Mexican pastor.

Douglas '69 and **Denise (Sasnett)** '73 **Froemke** moved in January to Waxhaw, North Carolina. Doug has a position as plant manager at Shic, Inc. in Charlotte. He had served at Kayser-Roth Co. in Dayton as production manager for a number of years.

70's

Harvey '70 and **Irene (Wilson)** '69 **Klamm** continue their life and ministry in Lynchburg, Virginia, where Harvey teaches and coaches at Lynchburg Christian Academy. Irene cares for their own three children--Annette, 12, in 7th grade at LCA; Christy, 9 who loves to sing and play and go to amusement parks; Michael 4; and two other children who join the family during school days. Frequent association with Grandpa Glenn Klamm '40 on a summer painting job strengthened family ties.

Dennis and Edna Jensen with their three children--Ashley, Amber, and Andrea--live in Fargo, North Dakota, where they have served with Red River Youth for Christ for over five years. Dennis has club ministries established in West Fargo, Moorhead, Fargo south, and Fargo north and has recently begun startup ministries in outlying areas of Cooperstown, Valley City, and Arthur-Hunter with the aid of volunteers in these communities. Their family home is in the country where they have a garden, raise chickens, and enjoy the venison from a deer hunt. Besides caring for their family, Edna assists as part-time secretary for U.F.C.

Des and Lynne (Stevens) '71 **Harper** celebrated their eighth

with their three children--Sean, 4; Sheila, 3; and Dale, 1. Their sponsoring mission, Operation Mobilization, has worked in India for twenty years through distribution of literature, open air meetings, film showings, and other evangelistic programs plus personal conversations. The mission is seeking to train and establish national leadership to continue the witness in India. The Harpers think it unlikely that they will receive a residence permit beyond next summer, so they seek the Lord's direction for their next step.

They are continuing language study and beginning to serve in a church. Martha recently taught the preschool class as a bi-lingual session which included her own children. Jered and Caleb are attending a Chinese kindergarten for two hours each day. The Faires also report about Bryan alumni who were in Taiwan--**Bud Cathey** '68 and his family, who recently left, and **Linda (Wong)** '81 and **Charles Schumann** with their daughter, who returned to the U.S. because of Linda's health problems.

Dann '73 and **Linda (Howard)** '73 **Speichinger** rejoice in having 102 students for their largest enrollment ever at Immanuel Mission School in Teec Nos Pos, Arizona. About 25 students were turned away, so it is hoped that a new classroom building may be erected next spring to increase their space for more students. Several summer helpers assisted in building a bus barn. During the vacation period, the Speichingers camped in Colorado in what proved to be six of the wettest days of their lives. A more pleasant experience was the Speichinger family

reunion in the Black Hills. Dann recently completed his program at Northern Arizona University for the master's degree in teaching English as a second language.

Clair and Kim (Alt) '74 **Lucas** live with their two sons, Justin and Ryan, in Souderton, Pennsylvania. They are busy in local church activities. Kim is the organizer and co-ordinator of the Tuesday Ladies' Bible Study; she also teaches Sunday school and has done some art work for the church. Clair has been involved in the church's drama club and played the part of Joseph of Arimathea for the church presentation and also in a performance for Biblical Seminary in Hatfield, Pennsylvania which drew a crowd of 700 people. Clair also teaches Sunday school and is the church librarian. Clair and Kim recently became involved as volunteer workers for the North Penn Crisis Pregnancy Center in Lansdale, PA. Justin at 3½ years is like "a perpetually wound spring," enjoying games, Star Wars figures, sliding boards and Sunday School. Ryan is learning from his brother and enjoying everything.

Drs. Michael and Muriel (Marshall) '74 **Bah**, missionaries with TEAM, completed a year of language study in Amman, Jordan, and are now located at TEAM's Oasis Hospital in Al Ain, Abu Dhabi, United Arab Emirates. Mike is the hospital administrator and Muriel is working part-time as a physician. They are also studying Gulf Arabic. Tim N'Guy '75 is studying at the University of Toronto to earn a master's degree in social work, with hopes to finish by April 1986. He is always glad to hear from Bryan friends through **Bryanette** or other sources.

Keith '75 and **Frankie (Dillinger)** '77 **Patman** with their daughter, Lauren, profited from ten weeks of Summer Institute of Linguistics at Norman, Oklahoma. They studied literacy principles and translation principles, and Keith took cultural anthropology. After SIL in Oklahoma, they had a temporary job in Dallas managing an apartment complex, and early in September began the fall term at SIL in Dallas. They have been assigned to help with translation in Cameroon, Africa. They expect to enroll for French language school in France or Switzerland in September 1985.

William Boyd, Jr. '77 opened the Stepping Stone Psychological Services in the Medical Clinic of Dayton, Tennessee, on November 1, 1984. Donna is teaching first and second graders at Walden's Ridge School. Their son, Jeff, is in her class as is also Rob Juillard, son of **Kent Juillard** '62. Note an interesting sequence of teacher generations: Donna's father, Dr. Irving Jensen, taught Kent at Bryan; Kent taught Donna in art class; and now Donna is teaching Kent's son, Rob, as well as her own son, who is Dr. Jensen's grandson.

Larry '76 and **Brenda (Hay)** '76 **Kelley** moved in October to Junction City, Kansas, when Larry became pastor of the Highland Baptist Church, in addition to the 21,000 population of their city. One of their syndicated newspaper columns has been picked up by the Los Angeles Herald Examiner and Boston Globe, in addition to Miami Herald, the Dallas Morning News, the San Jose Mercury and many smaller papers around the country. The columns deal with current events from an evangelical perspective. Another presentation is a slide/tape program called "Between Rock and a Hard Place," which is a critique of the rock music scene with tips to parents.

Billy and Lisa (Coker) '79 Griffith were accepted as missionaries with TransWorld Radio last September to serve in Bonaire. Billy will be used in purchasing and inventory control and Lisa will be teaching missionary children. They hope to have support by July 1985. Their daughters are Ashleigh and Carol Ann,
